

DAN + Yael WEINSTEIN

Thank you for the house plan -
we were very happy with some
of the changes for the better that
you made now -

Please make the following changes on the plan:

- eliminate door between entrance
hall and bedroom area.

change window and door from
living room to patio to
this configuration (MOVE DOOR TO
S.E. CORNER OF LIVING ROOM)

- change the bathroom window to a
small high window, (to avoid
direct view from patio.)

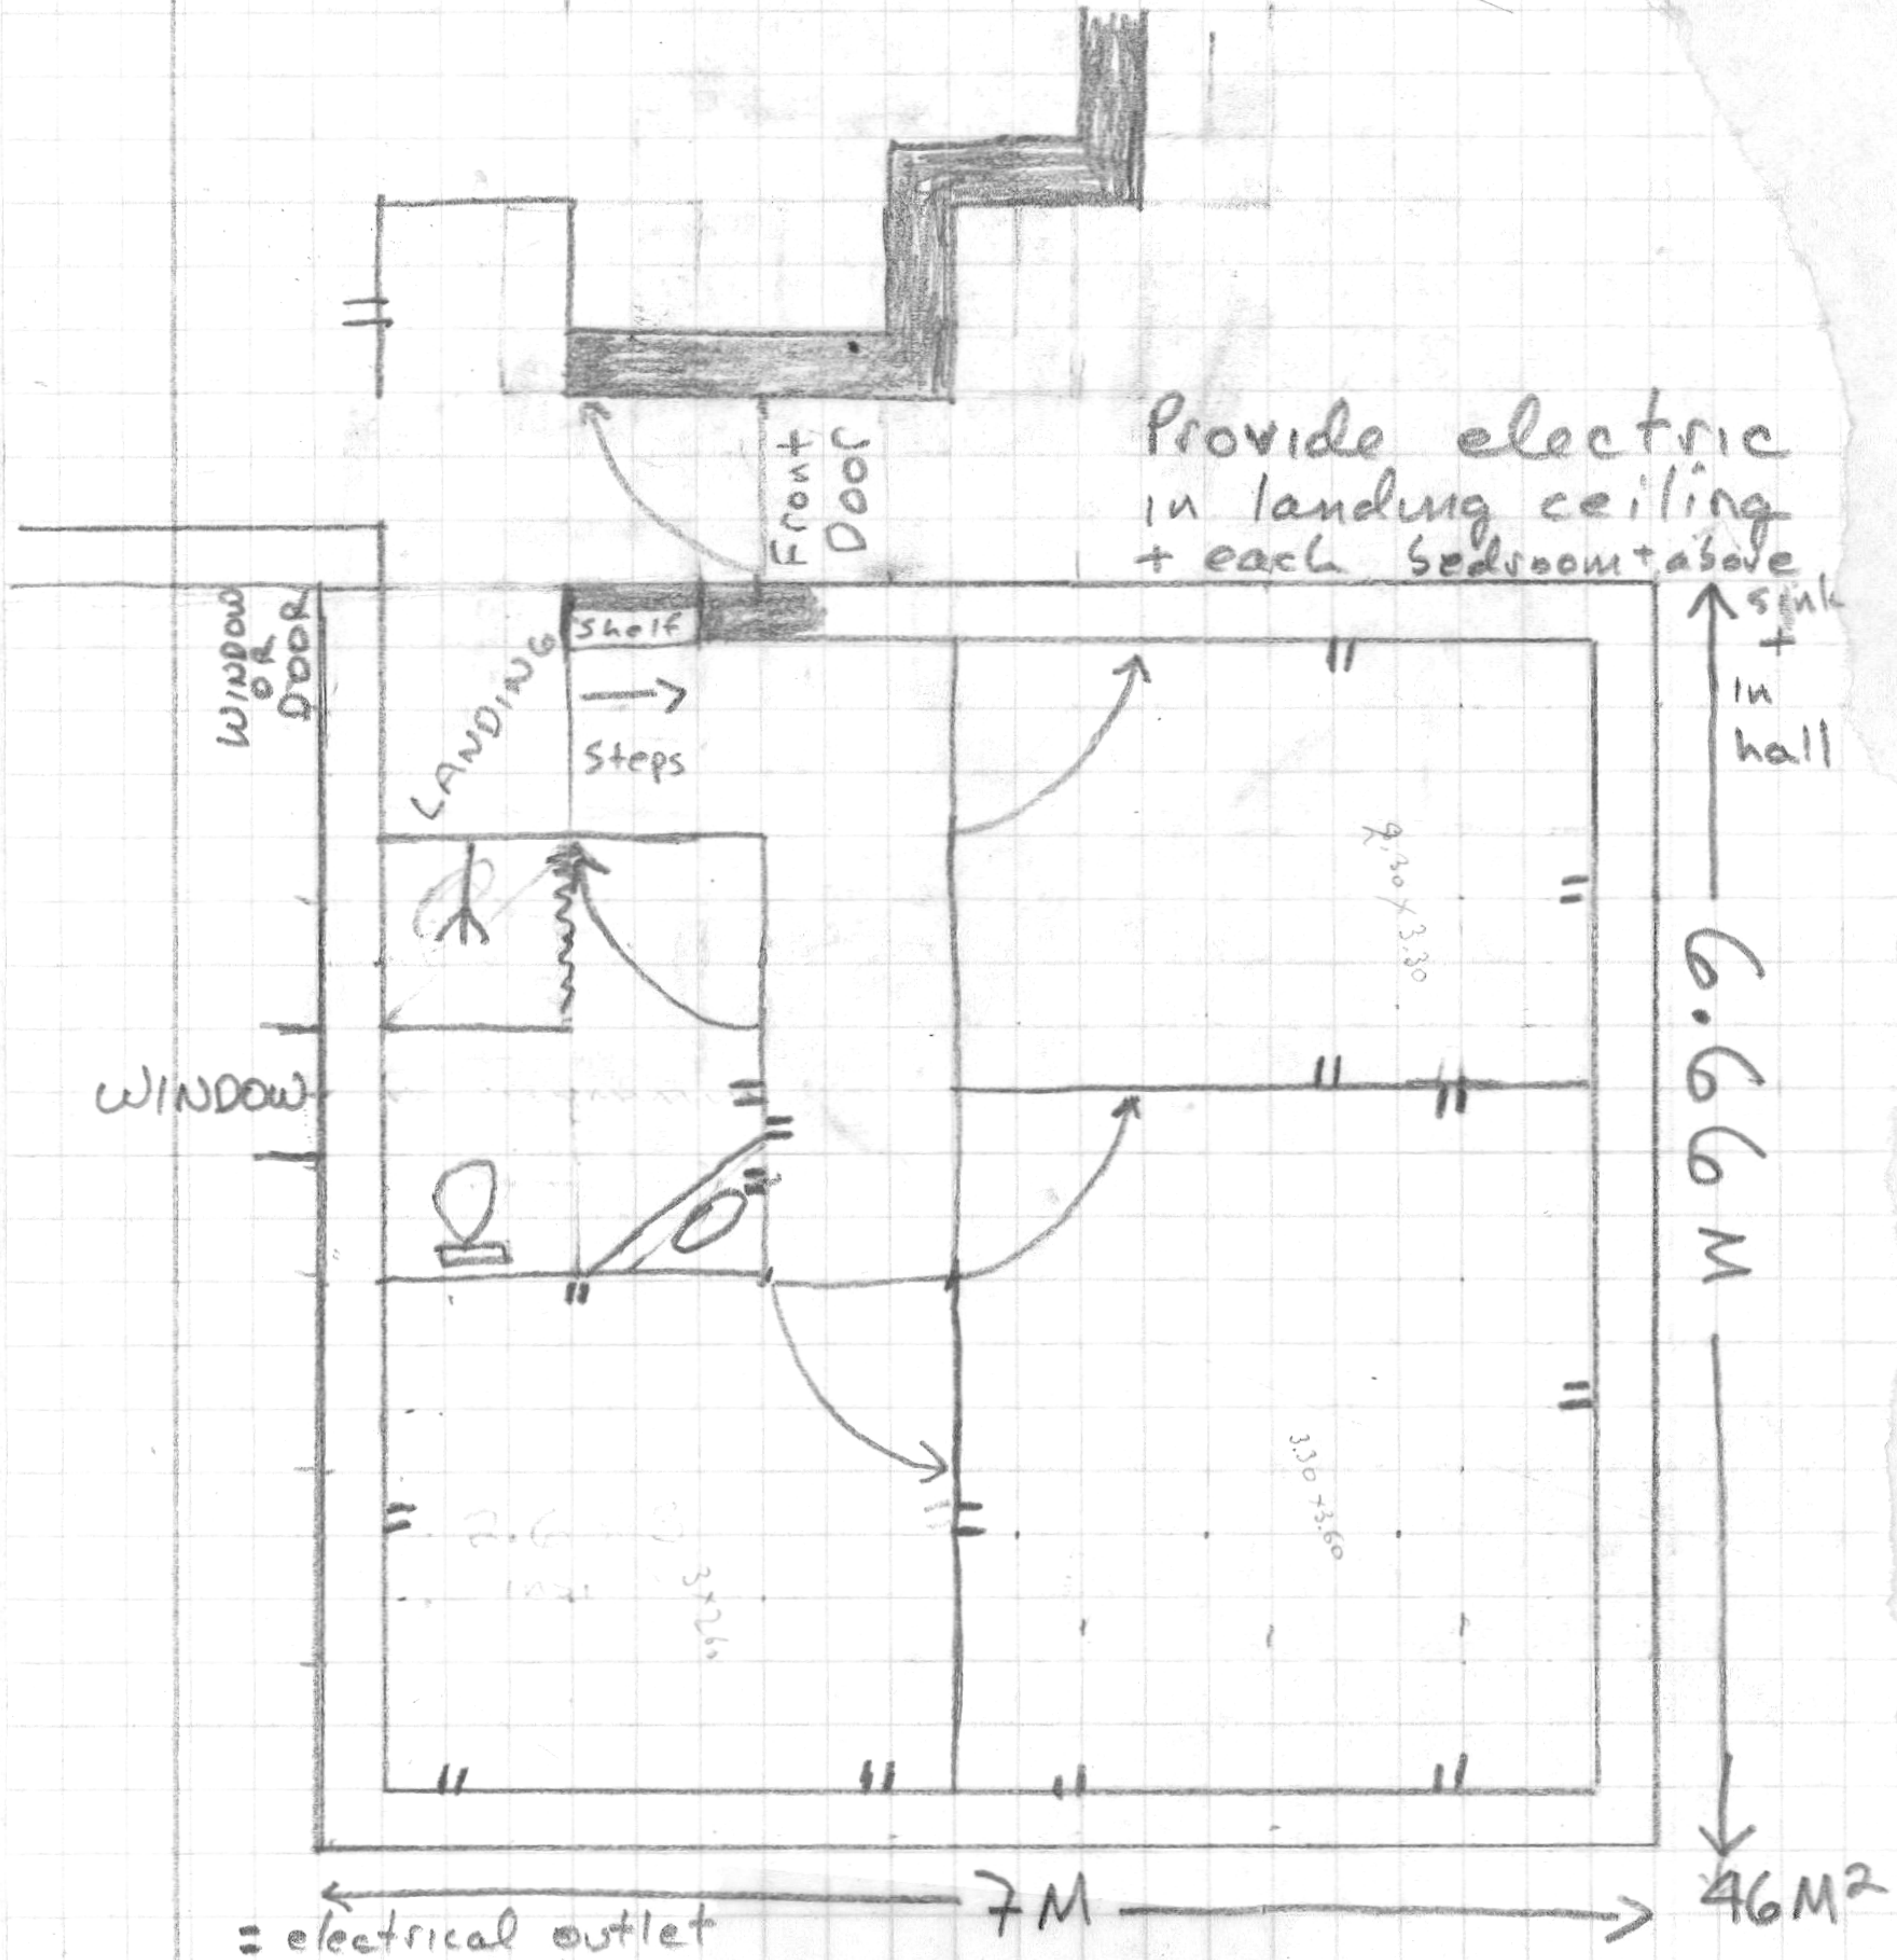

Thank you

WEINSTEIN
