

33. OFFICE and HOUSE

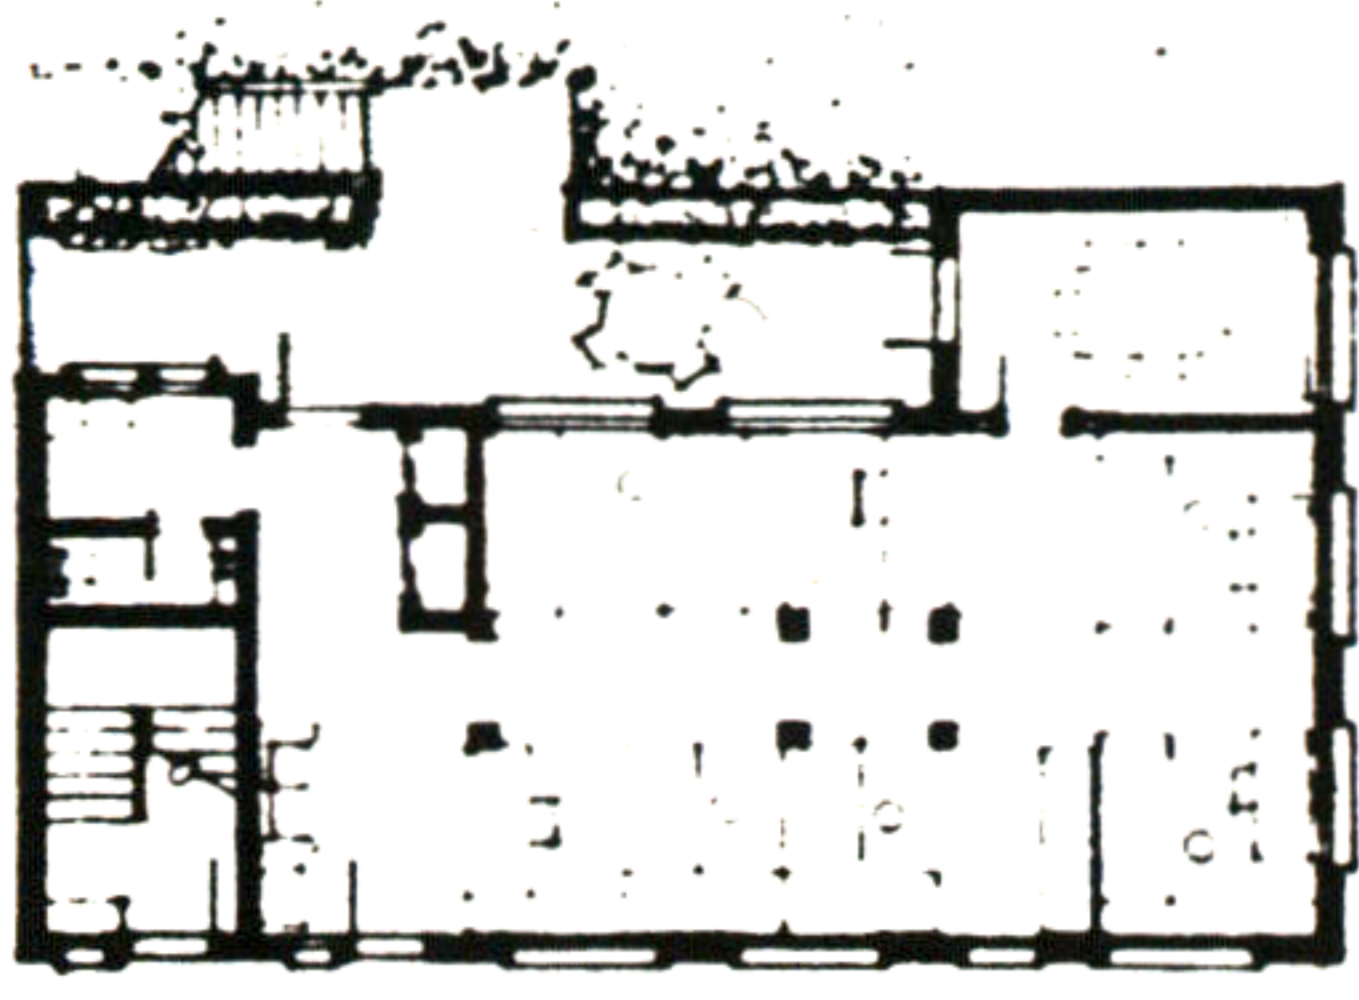

THE BUILDING OCCUPIES A CORNER ADJACENT TO THE PUB, OPPOSITE THE CHURCH. AN ARCHITECT OWNS THE STRUCTURE, AND USES THE GROUND FLOOR AS HIS OFFICE. THE ARCHITECT LIVES WITH HIS FAMILY ON THE UPPER TWO FLOORS. ENTRANCES TO BOTH THE OFFICE AND THE HOUSE ARE ALONGSIDE THE PUB. THE "L" SHAPE OF THE BUILDING FORMS A BACKYARD FOR THE FAMILY WHICH FUNCTIONS AS AN ALCOVE OF A LARGER OPEN SPACE IN THE CENTER OF THE BLOCK.
